### The Pro Express

### Detail or

### The Standard Detail offers

*traditional detailing packages that includes everything you could ever expect from the most popular detail services.*

*We use only the finest products available. Unlike most waxes available on the market today, we offer the added protection of high-tech, high-gloss Banana Wax protection. It contains polymers, resins, and silicones for extraordinary durability. Therefore, it is definitely the best long-lasting wax protection to protect your vehicle's paint finish against the many elements of Mother Nature.*
